CREATING SPACES FOR MODERN LIFESTYLES

We see things differently at Beverly. We believe it has more to do with creating spaces that match your way of life. As a boutique property developer, we focus more on crafting homes that are artisanal in design and pay close attention to every detail from years of combined experience, we value functionality as much as aesthetics. Exactly why, we design homes with both logical and emotional appeal.

Beverly Residence that Inspire.

DUBAI, THE LAND OF OPPORTUNITY

Easily accessible from Europe, Africa and Asia, Dubai is ideally located for trans-continental trade. It is also one of the fastest growing economies in the world. Not surprisingly, the city is a popular choice for entrepreneurs and professionals from across the globe. What's more, Dubai is also due to host the World Expo in 2020.

Besides being a hub for business ventures and employment opportunities, the city has also earned a reputation as a leisure destination. Family-friendly attractions are plentiful and include theme parks, ice rinks and trampoline parks along with exhilarating desert safaris. Adventure seekers can enjoy a wide array of activities including watersports, skydiving and indoor skiing. While those who prefer a laidback lifestyle can relax in the city's parks, quaint cafes and sandy beaches.

A NEW LEISURE HUB

To meet the needs of the growing population in and around Jumeirah Village, various malls and entertainment options are being developed in the area.

The Circle Mall

The Circle Mall at Jumeirah Village Circle, covering one million sq ft, will have 200 shops, an anchor supermarket, two department stores, a multi-screen cinema and a variety of dining outlets including a food court.

Strategically located between Sheikh Mohammed Bin Zayed Road, Al Khail Road and Hessa Street, The Circle Mall will serve hundreds of thousands of people living in Jumeirah Village and surrounding areas, and act as a new leisure destination for residents and tourists across the rest of Dubai. The mall is due to open in 2019.

DESIGNED AROUND THE WAY YOU LIVE

The heart of Beverly is undoubtedly the beautifully landscaped central court, a space to enjoy fresh air and socialise with other residents. A family-friendly development, that includes play areas for children as well as fitness and recreation facilities for adults.
