PROJECT SUMMARY

CONNECT TO YOUR SMART HOME

AG Central is a new development in the thriving Dubai Residential Complex. Its modern design offers open plan living with bright interior spaces and private balconies.

Come experience comfortable living in a community nestled in the heart of Dubai with easy access to transport links, whether it's for work or leisure.

The new residential development of 2B + G + 11 + R includes studios, one-bedroom units and two-bedroom apartments. The perfect place for investors and new home-owners.

DUBAI

DUBAI – CITY OF DREAMS

DUBAI is a city of ultra-modern skyscrapers, modern ports, beaches, and shopping where big business tales place all year round alongside sun-seeking tourism. With its large expatriate population, it feels like a Middle East melting pot with an exciting international atmosphere.

The most exciting city in the United Arab Emirates, Dubai is known for luxury shopping, unique architecture and a lively rest and relaxation scene for residents and visitors. BURJ KHALIFA the tallest tower in the world dominates the skyscrapers filled skyline of Dubai downtown. At is it foot lies the Dubai Fountain, with jets and lights choreographed to music. On artificial islands just offshore is the Atlantis, The Palm, a resort with water-animal parks.
