ABOUT ALMA DEVELOPMENTS

ALMA Developments was born from the foundation of Al Meera, a family business with over 40 years of experience in delivering high-quality kitchen, wardrobe, and other joinery solutions. Building on this legacy, ALMA Developments has expanded into property development with the same commitment to craftsmanship, innovation, and attention to detail.

Through our extensive work on major projects in the region, we've gained valuable insights into common design and finishing challenges, empowering us to craft real estate developments that deliver exceptional value and significantly enhance the stakeholder's quality of life.

- **Community & Amenities:** Liwan offers family-friendly living with parks, retail outlets, and educational facilities, enhancing its appeal for renters and buyers.
