Intorudction to Algouta properties

Algouta Properties (GPD) is among the UAE's most respected real estate developers.

Dedicated to improving the way we live, GPD has a conscious approach to Environmental conservation in all its projects. By using sustainable building materials and applying strict energy-saving measures, GPD helps to build a better Future. The Stella Villas and Murano residences are one of many new and exciting developments by GPD within the dynamic Al Furjan neighborhood.

Project Introduction

Comprising apartments and retail outlets. The Stella Residences is built while keeping the family's lifestyle in mind. Each apartment features spacious living areas and modern open/closed kitchens with state-of-the-art finishes, while the contemporary elegance of the finishings and fittings brings style and convenience to everyday life. A host of child-friendly amenities and luxury services encourage a community feel among like-minded neighbors, creating a warm and tranquil ambiance for every resident, no matter their age.
