Marina Bay

A stunning landmark on
serene waterfront

Marina Bay is a striking 25-storey tower commanding exquisite views of the marina connecting the entire development and the Central Business Bay. A mixed-use development with three podiums, there are generous spaces for residential and retail units, complemented by beautiful landscaping in keeping with the location.

Each sector of the building utilises the smartest technology for a healthy and supremely efficient environment that's also very secure – including secure covered parking for residents and guests.

Sleek design gives a powerful first impression of the elegant tower. Upon entering the building, residents and guests walk into a grand lobby with an abundance of natural light, whilst a guest lounge provides quiet respite from a busy schedule.

When you own an exclusive waterfront property at Marina Bay, you're taking on a distinguished lifestyle investment in a vibrant location.
