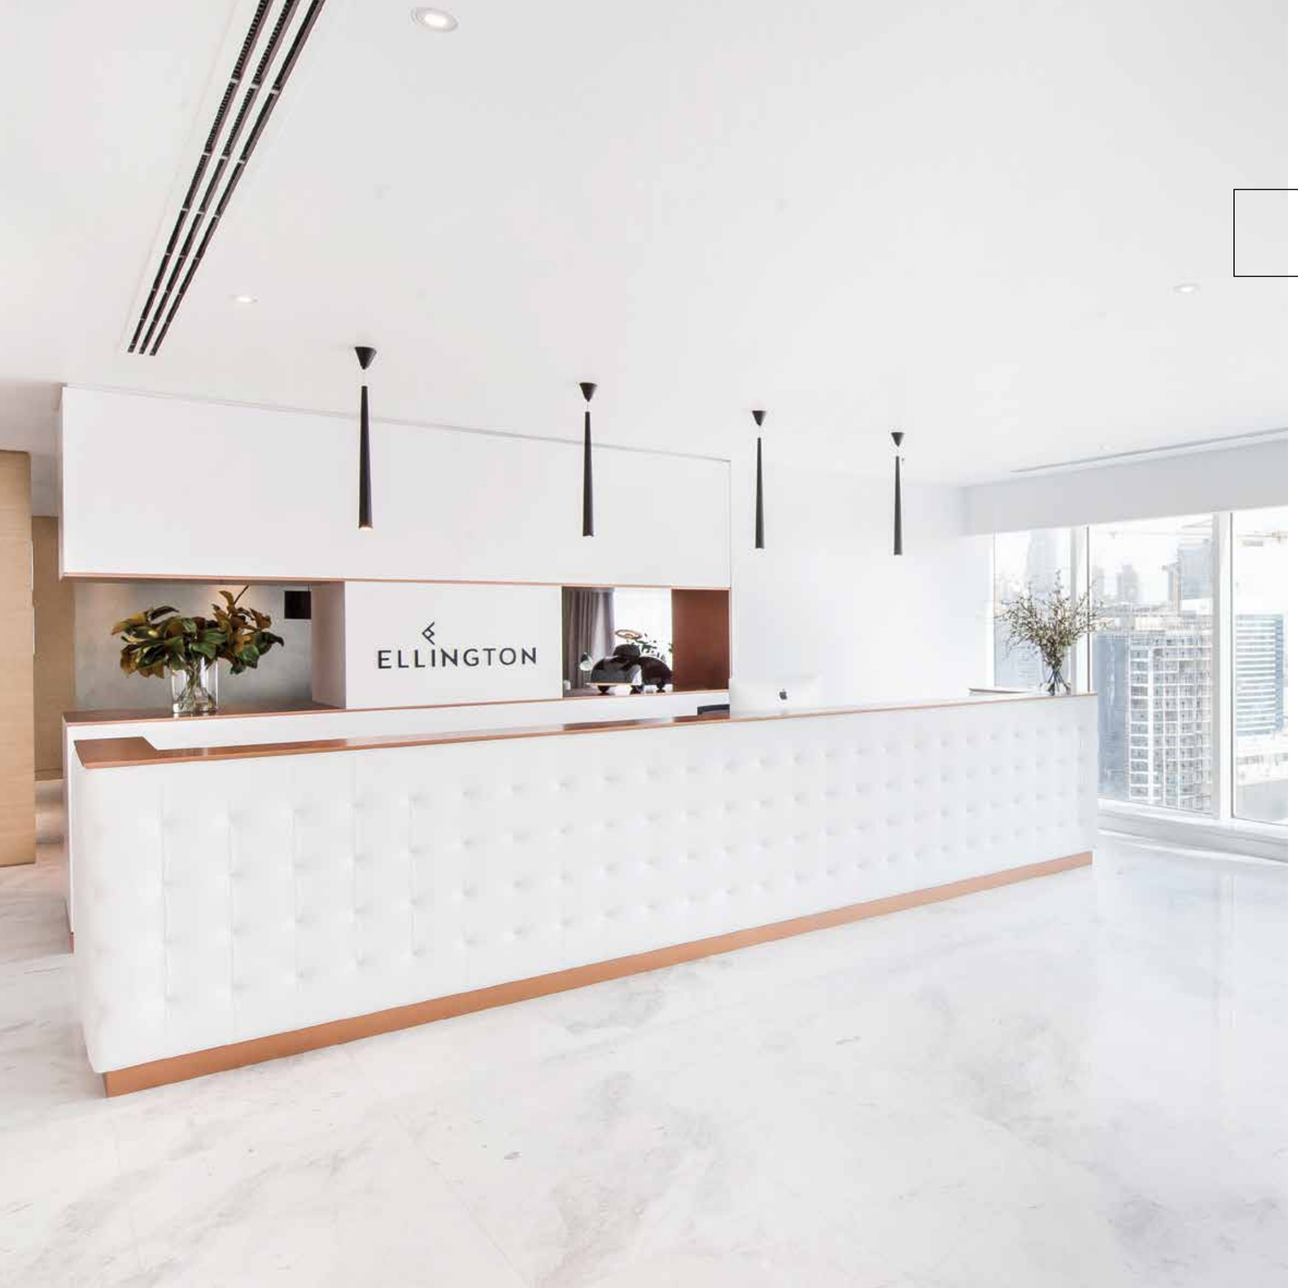
INVEST *in* THE LAND *of* LIMITLESS POSSIBILITIES

One of the fastest growing economies in the world, Dubai is ideally located for trans-continental trade. Well connected to Europe, Africa and Asia, the city is a popular choice for entrepreneurs and professionals from all over the world. In addition, Dubai is set to host the Expo 2020, the first of its kind in the whole of the Middle East, Asia and Africa.

Being a major tourist destination, Dubai has scores of attractions for everyone. Family-friendly spots such as theme parks, malls and more are plentiful. Adventure seekers can enjoy a wide array of activities and those who prefer a laidback lifestyle can unwind in the luxury hotels, quaint cafes and pristine beaches.

BUILDING HOMES *that* INSPIRE

At Ellington, we are a boutique property developer that values functionality as much as aesthetics. We believe in creating spaces that enable people to live better lives, which is why we craft homes with meticulous attention to every last detail.



SETTING *new* STANDARDS ACROSS DUBAI

MBR *city*

WILTON
TERRACES

Wilton Terraces are a two12-storeyed towers located against a beautiful lush backdrop of MBR City. The development comprises of bespoke 1 and 2 bedroom residences.

JUMEIRAH *village*

BELGRAVIA

LIVE *the* LIFE YOU ALWAYS WANTED

Jumeirah Village is a one-of-a-kind community spanning two localities namely ‘Jumeirah Triangle’ and ‘Jumeirah Circle’. This neighbourhood includes a variety of commercial, retail and leisure facilities spread over 811 hectares. Schools, mosques, parks and sports fields separated by lush green walkways make it ideal for families.

In addition, two new attractions namely ‘Al Khail Avenue’ at Jumeirah Village Triangle and ‘The Circle Mall’ at Jumeirah Village Circle by Nakheel are currently being developed.

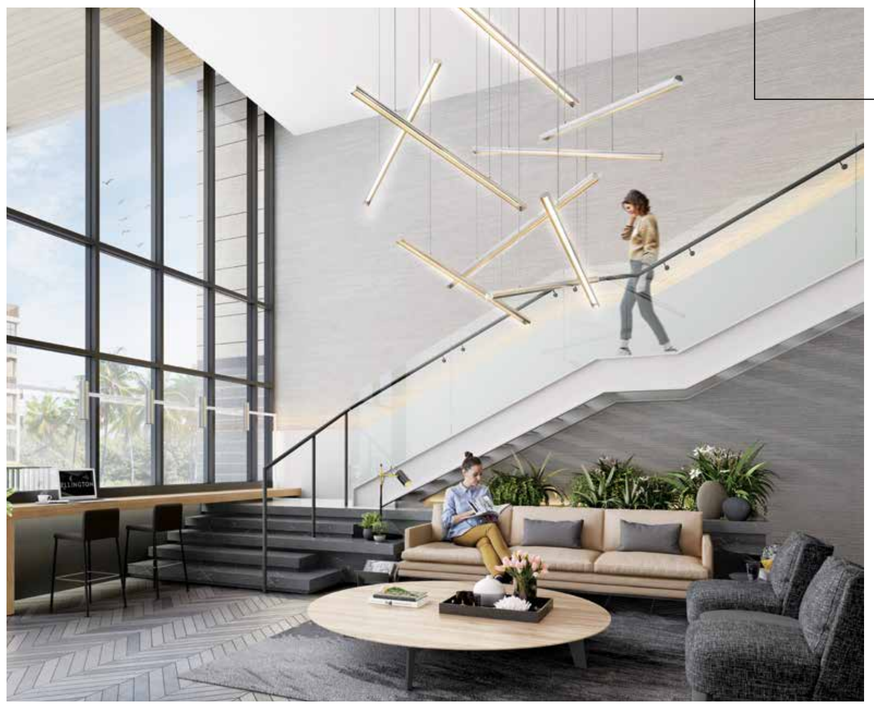
WELCOME TO

BELGRAVIA *Square*

Ellington Properties' latest project in Jumeirah Village Circle, Belgravia Square is set to become an icon of contemporary architecture. Encompassing two smartly designed 'L-shaped' blocks that face each other, Belgravia Square has a total of 225 spacious studios, 1 and 2 bedroom apartments.

Furthermore, the grand lobbies are built to impress. The majestic design and dynamic lighting is complemented by beautiful sculptures made by local artists. The community area also boasts a plush lounge for residents that brings the outdoors, inside. It includes a pool table and a TV Lounge with comfortable seating for small groups. In short, Belgravia Square is the new favourite for home buyers who value aesthetics and design along with contemporary community living.

A PERFECT
BLEND *of*
FUNCTIONALITY,
AESTHETICS *and*
SOCIALIZATION.



STRIKING
exteriors

The grey facade with bold horizontal lines creates a unique and contemporary look. In addition, the wood texture and vibrant lighting balances the greys and creates a warm glow for Belgravia Square.
