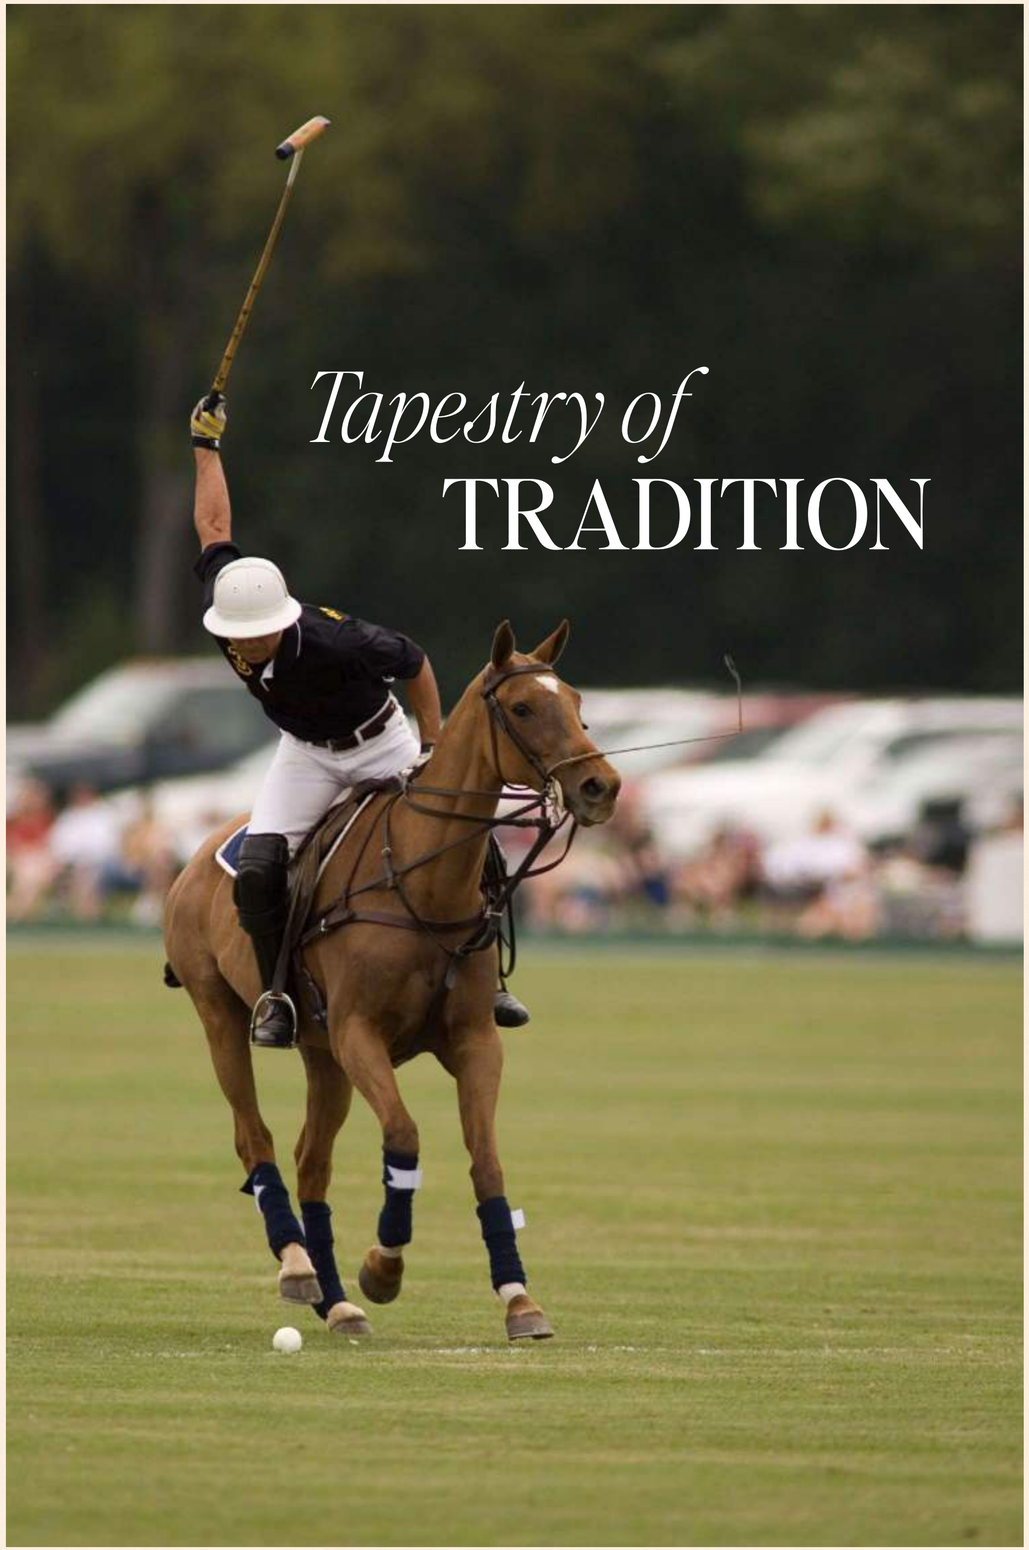
The Polo FIELDS



Tapestry of TRADITION

The Polo Fields are artfully shaped to capture the essence of the sport. The elegance of horses, the spirit of riders, and the grandeur of equestrian tradition fuse seamlessly with contemporary landscapes. Rooted in natural textures and eternal customs, this expanse is where legacy is preserved and brought to life.

The CLUBHOUSE

Poised PAVILION

Surrounded by graceful villas, the clubhouse is a contemporary work of art with striking, linear designs that echo the strength and grace of Polo, harmonising Arabian heritage with bold architectural innovation. This space cultivates camaraderie and community bonds.

The STABLES

Gracefully tucked within the estate, the Stables unfold in a bold, spiralling form—an architectural tribute to the elegance and dynamism of equestrian life. At its centre, a landscaped courtyard invites moments of stillness, while flowing water features introduce a sense of rhythm and reflection.

Circular in design and purposeful in detail, the Stables frame key landscape views and evoke a feeling of expansiveness. More than a functional space, this sculptural sanctuary is a hidden gem—destined to become a global landmark in equestrian design.
