“THEY USED TO SAY THAT AGRICULTURE
HAS NO FUTURE, BUT WITH GOD'S
BLESSING AND OUR DETERMINATION,
WE HAVE SUCCEEDED IN TRANSFORMING
THIS DESERT INTO A GREEN LAND.”

—H.H SHEIKH ZAYED BIN SULTAN AL NAHYAN

A L J U R F | T H E P R O J E C T

Our landscape is ever changing, adding layer upon layer, building on the existing; merging, integrating, and weaving—to produce natural masterpieces of timeless beauty. Nestled along the Sahel Al Emarat Coast, AlJurf adds a new layer of beauty to the landscape. Integrating itself within the natural environment, AlJurf is a masterpiece that preserves and enhances the existing beauty, perpetuating a legacy, rather than changing it.

AlJurf will feature a range of facilities, including a world-renowned wellness clinic and retreat, unique residential communities and serviced residences, as well as a marina and a town centre encompassing a hotel and retail units. All these components will be carefully integrated within the natural landscape of AlJurf as to not disturb its harmonious beauty, but rather capitalise on it. Guests and residents will become the protectors of the ecosystem in the same way our ancestors were, while enjoying the simple luxury provided by this intricately woven work of nature and design.

Aljurf GARDENS

THE COASTAL RANCHES

OF ALJURF

AlJurf Gardens is where decades ago tens of thousands of trees were planted to create a green haven in the desert of Abu Dhabi.

Even the name has an aura—it is possible at once to lose and to find yourself among the trees and natural landscape, following a path that leads from the thoughtfully interwoven coastal ranches to the private and secluded beach.

AlJurf Gardens is a natural masterpiece; an intricate tapestry of 500 landscaped plots designed to seamlessly integrate within the natural, raw beauty of AlJurf.

Inspired by local culture, AlJurf Gardens tames the wilderness of its surrounding to introduce refined architectural patterns repeated in different motifs. It is reflective of nature's beauty across every typology of homes, gardens and courtyards.

A M E N I T I E S

P R I V A T E E N T R A N C E

Sanctuaries are a place of blissfulness, fulfilment, and soul enrichment. They are a haven where you feel safe and free to be yourself; to find inner peace. Away from the bustling crowds and fast-paced city, with a private and gated entrance, lies AlJurf Gardens. Stepping through its gates, you'll find a simpler lifestyle. One that allows you to experience true authenticity with family and friends. All in a private and secure environment.

PRIVATE BEACH

Nestled between Abu Dhabi and Dubai lies the most pristine coastline in the Emirates—Sahel Al Emarat. A coastal getaway that captures the imagination, heritage and nature of the Emirates, while offering a timeless, universal appeal and charm that add to the feeling of escapism.

AlJurf Gardens boasts its own private beach and coastal shores stretching alongside the development's border, protecting its residents from the outside world.

PRIVATE MARINA

For generations, Abu Dhabi, with kilometres of pristine coastline and a plethora of natural islands, has been at one with the sea. It was home to fishing and pearling fleets and active boat yards. Emiratis still take to the seas in droves—but more recently in a more leisurely fashion.

Comfortably nestled on the shores of the beautiful coast of AlJurf, and just a short walk through the trees and lush greenery, lies the private marina; accessible exclusively to the residents of AlJurf Gardens.

COMMUNITY CENTRED

AlJurf Gardens has the community at its heart. It boasts a majlis, courtyard architecture, mosques and a community centre; offering a welcoming setting to come together.

AlJurf is a beautifully natural place, a framework for an authentic life. Key to this authenticity is a supportive community that provides a level of social life not found in the city.

A photograph of a dense grove of palm trees, likely date palms, with their fronds creating a complex, layered pattern of green. The text "LAND PLOTS" is centered in the middle of the image in a white, serif, all-caps font. The background shows a sandy area and a clear sky, suggesting a desert or coastal environment.
